STUDY ABROAD

About Land & Natural Sciences Abroad

Studying abroad can provide a unique opportunity to those students that are studying land and natural sciences. Stepping outside your own backyard to explore the ecology of the Australian Coast or the tropical rainforests of Costa Rica will help bring your textbooks to life.

Featured Fields

- Agriculture
- Biology
- Ecology
- Environmental Science
- Food Industry Management
- Geology
- Natural Resource Ecology
- Soil Science
- Renewable Resources
- Sustainability

AIFS Abroad also offers international internships related to these fields! Similar to study abroad programs, an international internship program allows you spend time abroad while gaining professional working experience. You may even be able to receive credit for an internship! If you're interested in learning more, visit www.globalexperiences.com.
