

STUDY ABROAD SCHOLARSHIPS

We are committed to expanding access to study abroad for everyone. That's why we offer a variety of generous scholarships—from \$1,000 to \$5,000 and even an annual full scholarship—to help significantly cover study abroad costs.

We also want you to be fully aware of your financial situation before starting the entire process. When you apply for a TEAN diversity, need-based, or merit-based scholarship, we'll let you know if you've been awarded a scholarship prior to the program application deadline.

Below is a list of our scholarships and the range of values associated with each. To learn about school-specific scholarships, give us a call at 312.239.3710.

TEAN FULL RIDE SCHOLARSHIP UP TO A \$15,000 VALUE

Our Full Ride Scholarship is designed to give one standout student the opportunity to study abroad covering up to \$15,000 in costs. Applicants must show us not only the journey they've been on to arrive at this point in their education, but also the personal journey they envision studying abroad will entail. The scholarship can be used for any Summer or Fall 2021 TEAN program that covers tuition, program fees, and orientation.

NEED-BASED SCHOLARSHIP \$2,000 - \$5,000

This scholarship rewards students who have achieved academic excellence, demonstrated community involvement, and require extra financial assistance.

MERIT-BASED SCHOLARSHIP \$1,000 - \$3,000

This scholarship recognizes students who have not only achieved academic excellence but have also served as leaders and role models within their community.

DIVERSITY SCHOLARSHIP \$1,000 - \$3,000

In honor of our commitment to inclusivity, this scholarship is designated for students who identify with underrepresented groups in study abroad (e.g., non-white, LGBTQ+, neurodiverse students, and first-generation college students).

PHOTOGRAPHY SCHOLARSHIP \$250 - \$500

All talented photographers who are willing to commit to documenting their time abroad and submitting their photos to TEAN are encouraged to apply for this award. Semester scholarships are \$500 and Summer program scholarships are \$250.

UNIVERSITY OF NEW HAMPSHIRE
ENVIRONMENTAL ENGINEERING MAJOR

Receiving the TEAN full ride scholarship relieved a huge financial burden off of my shoulders. Without having to worry about how I would pay for my semester, I was able to focus on getting everything I could out of the experience.

My study abroad experience changed my life. Not only did it introduce me to the incredible country and people of New Zealand, but it also allowed me to learn a tremendous amount about myself.
